

# CHEESE

EST.  1986

## WHITE CHEDDAR

**Available In:** Curd, Mild, Medium, Mature, Extra Mature and Vintage Mature.

**Application:** slicing, prepacking and shredding.

**Graders Note:** *Mature & Vintage Cheddar can show some calcium lactate crystals forming on the surface, and has a distinctive flavour profile.*

## COLOURED CHEDDAR

**Available In:** Mild, Medium, Mature, Extra Mature and Vintage Mature.

**Application:** slicing, prepacking and shredding.

**Graders Note:** *Mature & Vintage Cheddar can show some calcium lactate crystals forming on the surface, and has a distinctive flavour profile.*

## OFFCUTS

**Available In:** Mild, Medium, Mature and Extra Mature.

**Application:** Shredding and processing.

**Graders Notes:** *Cheddar offcuts are a cost effective solution.*

## EMMENTAL, GOUDA, EDAM

**Available In:** Eurobloc, offcut and 60kgs format.

**Application:** Suitable for all cheese applications.

**Graders Notes:** *Emmental cheese has a distinctively sweet, almost nutty flavour and a firm body with some eye formation.*

## HARD GRATING STYLE CONTINENTAL CHEESE

**Available In:** 15kgs Eurobloc, misshapen block for processing.

**Application:** Slicing, prepacking, shredding and processing.

## MISSHAPES

**Available In:** All flavour profiles.

**Application:** Shredding and processing.

**Graders Notes:** *White Cheddar Misshapes are a cost-effective solution.*

## COLOURED & WHITE CHEDDAR MIX

**Available In:** Vacuum sealed in 10-15kgs formats, and packed in 1mt cardboard mega bins on one-way pallets.

**Application:** Processing and spray drying.

## MOZZARELLA

**Available In:** 10kgs block format, and in a 15-18kg vacuum sealed offcut/misshape option which is a more cost-effective solution.

**Application:** Shredding and processing.

**Graders Note:** *Mozzarella cheese is renowned for its functionality and is ideal a pizza topping or mixed with a salad.*
